STUDY LEGISLATION TO START ANOTHER TRADE COMMISSION

Powers to Be Investigatory Rather Than Mandatory—Board of Five to Receive Authority for Administration of Provisions of Existing Law and Regulating Business Conduct

MONTREAL, May 29 (CP).—In a dispatch from its Ottawa correspondent The Montreal Star today states proposed legislation creating a Federal Trade Commission was studied by members of the Government at a special sitting today preliminary to notice being given of its introduction.

Indications are, the dispatch states, a commission of five will be created but that its powers will be essentially investigatory in their nature rather than mandatory in the orders they can give to trade and industry.

BOARD'S AUTHORITY

Authority of the board is proposed to run along the following general lines, the dispatch continues:

1. Sanction of price and production agreements between producers where such agreements are held to be not detrimental to the public interest.
2. Administration of the Combines Act. Heretofore, in the opinion of the Price Spreads Commission, the enforcement was not very active, an occasional inquiry being made when complaints were presented, with a prosecution sometimes following. These instances have not been very frequent, and in one notable case still before the courts proceedings were delayed by a long argument as to the respective responsibilities of the Dominion and the province particularly concerned.

DOUBTFUL OF THEIR VALIDITY

Debate Grows Hostile When Amendments to Criminal Code Are Introduced

OTTAWA, May 29 (CP).—Voices were raised in angry debate as the first battle over the report of the price spreads commission broke today in the House of Commons. It developed when W. W. Kennedy (Cons., Winnipeg South-Centre), chairman of the commission, came to the defence of amendments to the Criminal Code based on the commission's findings after Liberal members demanded their withdrawal because Minister of Justice Hugh Guthrie said they were of doubtful constitutional validity.

THE BATTLE STARTS

The battle started just before the 6 o'clock adjournment and will probably continue next week. Before that the House approved without much discussion two measures based on the price spreads report. One amended the Weights and Measures Act and the other the Industrial Disputes Investigation Act.

The Criminal Code amendments under fire provided penalties for paying employees less than the minimum wage or working them longer than the maximum hours, and for discriminatory discounts or allowances in trade or commerce or price cutting to destroy competition.

DIFFICULT TO CONVICT
Mr. Guthrie said officers of the Department of Justice and two eminent counsel called in to advise them, W. N. Tilley, K.C. of Toronto, and Alme Geoffroy, K.C. of Montreal, had come to the conclusion that the sections were of doubtful validity as far as the constitutional powers of the Dominion Parliament were concerned. He also gave it as his opinion it would be difficult if not impossible to secure convictions under them.

MAY BE SERIOUS FOR FREE STATE

De Valera Admits Dangers of War—Would Not Assist Enemies of Great Britain

DUBLIN, May 29 (CP Cable via Reuters).—President Eamon de Valera today assured the Daily Government would never permit the Irish Free State territory to be used as a basis for an attack upon Great Britain by another power.

Replying to an Opposition onslaught, De Valera said war in Europe might possibly develop into a very serious situation for the Free State. The Free State would do everything in its power to defend its own territory.

The President said the Government was prepared to draw up an agreement with Britain and to purchase from her pound for pound. It was even prepared to give her a preference when the Free State had to buy goods outside the country.

Wins Half-Mile Event at High School

Bill Dale, who finished as runner-up to George 'Porky' Andrews, newly-crowned champion, is seen breasting the tape in the half-mile event at the annual Victoria High School track and field meet, yesterday afternoon, at the Fernwood grounds. Dale finished about thirty feet in front of the second place runner, Ralph Shepherd, who is seen in the background on the inside lane.

Fate Still Uncertain of Kidnapped Boy When "Deadline" Is Passed

Fate of French Cabinet in Doubt as Gold Outflow Continues

(Copyright, 1935, by the Associated Press)

PARIS, May 29.—A steady golden stream, uninterrupted despite strenuous efforts to halt the flight from the franc, flowed out from the Bank of France's vaults today as Premier Pierre-Etienne Flandin suffered the first major setback in his battle for dictatorial financial powers.

The Chamber of Deputies finance committee voted 25 to 15 against his bill requesting far-reaching authority to balance the budget, and defend the franc, emphasizing open hostility developing in Parliament to the Government's programme. Some quarters said they believed Flandin might have to resign. Unimpressed, however, Flandin said he would carry his appeal directly to the Chamber tomorrow.

Water Rates Battle Continues; Victory Would Affect 6,000

Alderman McGavin Espouses Cause of Small Home Owner—Proposes Fifty-Cent Service Charge During Three Summer Months in Lieu of Irrigation Rate—Gardens Suffer

THE battle of the water rates is not yet over, and victory is still in sight for the proponents of reduced charges. The victory probably will take the form of a much reduced service charge for the three summer months.

RIOTING BREAKS OUT AT MINES

Troops Rushed to Protection of Whites When Natives Make Trouble

BULAWAYO, Southern Rhodesia, May 29 (AP).—Hundreds of troops were rushed to the copper belt in Northern Rhodesia today to protect whites in the wake of fierce riots, in which six natives were killed and many wounded at the strike-torn Roan Antelope Mine.

Some troops were dispatched to the scene in four Royal Air Force planes to state off a possible uprising of the natives.

The mine manager's staff and their families were reported safe for the time being, but the fear that disorders would spread led to the mobilization of Europeans as special constables.

The strikers, demanding increased wages, wrecked the compound and offices and attacked the power-house.

Troops, with steel helmets and fixed bayonets, patrolled the mines tonight.

SAWMILL WORKERS VOTE TO END STRIKE

LONGVIEW, Wash., May 29 (AP).—One thousand members of the Sawmill and Timber Workers' Union voted here tonight in favor of ending their strike and returning to work Monday. They agreed to accept the offer of the mill operators to increase wages from 45 cents an hour to 50 cents on a forty-hour basis.

GOVERNMENT TO SEEK POWER TO REVALUE GOLD IN CANADA

Prime Minister Says Authority Required to Take Quick Action If Necessary—Has No Intention of Acting at Present—Currency Backing Greatly Exceeds Requirements

Move Seen as Preparatory For Currency Stabilization

OTTAWA, May 29 (CP).—Power to meet any situation that might require quick action on the value of gold will be sought in Parliament by Prime Minister R. B. Bennett, he informed the House of Commons today, but he gave definite assurance that he had no present intention of taking any such action.

Formosa Is Shaken by Earthquake

LONDON, May 29 (AP).—An exchange telegraph dispatch said tonight the east side of the island of Formosa, rocked by a disastrous earthquake in April, was slightly damaged early Thursday by another quake, but no casualties were reported. The dispatch, from Taihoku, capital of the Japanese-occupied island, reported the shock was centred in the city of Taichu.

When the island of Formosa was shaken by a heavy earthquake on April 21, more than 3,000 persons were killed and 10,000 injured.

MAKING THREAT OF DOMINATION

TOKIO, May 29 (AP).—Japanese military domination of all North China today apparently was fore-shadowed in Rengo (Japanese) News Agency dispatches from Peiping, which said Japanese army officers there had demanded China's immediate settlement of fourteen disputed points.

The list of demands was said to have been presented in connection with stern protests against alleged anti-Japanese movements in the Peiping and Tientsin regions and warning such activity must cease.

Dispatches from Shanghai quoted Rengo as saying Chinese authorities had been advised "the Japanese army may be obliged to place Peiping and Tientsin within the demilitarized zone as most anti-Japanese activities in North China are originating in the two cities."

It was officially announced here that Col. Takashi Sakai, chief of the Japanese garrison at Tientsin, and Lt.-Col. Masao Takahashi, Japanese resident officer at Peiping, visited Gen. Ho Ying Chin, China's war minister and chairman of the Peiping military committee, on Wednesday.

A protest and warning were handed to General Ho. It was learned reliably, the contents of which were not divulged here.

Rengo's Peiping correspondents said the Japanese had asserted another punitive expedition would be sent south from Manchuria unless anti-Japanese terrorism in North China ended quickly.

DOZEN HURT BY TERRIFIC BLAST

NEW YORK, May 29 (AP).—A terrific explosion, apparently caused by accumulated gas in an empty asphalt tank, today wrecked a three-story building on the east side of Manhattan, injuring more than a dozen persons, three critically.

Police and firemen, fearing six persons were buried alive in the bricks and timber that crashed to earth, tore the ruins apart as soon as the fire that broke out with the blast had cooled. No bodies were found and police expressed the opinion no lives had been lost.

Flying debris injured passers-by. A major catastrophe was averted when firemen prevented the fire from spreading to an eight-story gas tank fifteen feet away from the smouldering ruins.

Real Estate Sales Nearly Doubled in Four-Month Period

Properties Valued at \$446,680 Are Sold as Compared With First Four Months of 1934—Total Transfers Pass Million-Dollar Mark

ONE of the strongest indications that conditions are swinging back to better times was reported by George Okell, city assessor and collector, yesterday, in making public the real estate transfers for the first four months of the year.

Sales have jumped to \$446,680 for the first four months, as compared with \$297,540 for the same period last year, a gain of \$149,140.

This gain has not been due to any unusual single sale, the increase in exchange having been well sustained throughout the entire period as a month by month comparison discloses.

Total transfers, which includes probate of wills and other transfers, total \$1,385,922 for the four-month period as compared with \$937,282 for the corresponding period of 1934. This is a gain of \$348,640.

The following month by month comparison illustrates how consistent the gain has been:

Sales—	1935	1934
January	\$116,915	\$69,870
February	158,080	86,400
March	96,235	71,905
April	75,450	69,185
Total	\$446,680	\$297,540
Transfers—	1935	1934
January	\$394,705	\$508,062
February	331,710	154,190
March	216,530	143,615
April	356,977	131,415
Total	\$1,385,922	\$937,282

Annual Banquet Of Pioneers Is Held in Saanich

Note of Optimism and Encouragement Sounded by Speakers at Saanichton Gathering—Hon. Dr. S. F. Tolmie Outlines Signs of Recovery—Fine Entertainment Provided

"I ALWAYS find it pleasant to recall those incidents, and those things that have laid the foundation for this great Province of ours," Hon. Dr. S. F. Tolmie stated in his address at the annual banquet of the North and South Saanich Pioneers' Association held in the Saanichton Agricultural Hall last night.

The speaker said he was gratified to see so many signs of recovery. Pioneers in the past had gone through similar depressions and learned by experience that the recoveries were slow, but, nevertheless, sure.

There were many evidences today, Dr. Tolmie contended, that the swing back to recovery had started. The iron and steel industries reported gains in business. Good crops were reported on the Prairies and the price of wheat had advanced. The cattle export trade was most cheerful. Canada, he said, had exported 65,000 head of cattle this year to the United States at a price that assured double the profit heretofore. This was a market that was formerly lost for a long time to Canada.

ENCOURAGING NEWS
Gold production, lumbering and many other industries also were showing signs of improvement. In conclusion, he referred to the information brought from England by Harry Beech, who reported the English market was prepared to take some 2,000 tons of British Columbia strawberries. This, indeed, was encouraging news to Saanich, he stated.

Magistrate George Jay, in his opening remarks, recalled the hardships of Saanich pioneers and recounted many of the hardships the early settlers had to face. He felt sure that the younger generation was benefitting and would continue to benefit from their forefathers' pioneering work.

The speaker said he and his wife had occasion to look back on Saanich in its early days with very pleasant recollections. They had spent their honeymoon in Saanich. His recital of this incident provoked considerable mirth, the story being garnished with several amusing incidents.

Magistrate Jay concluded by thanking the association for affording him the opportunity of meeting so many old friends.

GREAT DEVELOPMENT
Reeve William Crouch spoke of the activity in the building trade in Saanich and visualized a great development for the municipality.

Kiwanis Club Erects Shelter Here

Overlooking Finlayson Point on the Dallas Road waterfront, the Victoria Kiwanis Club tourist shelter, shown above, will be open for public use within a week, it was announced yesterday by club officials. The club erected the structure as part of the local drive for tourists in co-operation with the Tourist Trade Development Association.

Primarily the building will be used for winter tourists, who can look over the waterfront from this point even in stormy weather. It will accommodate about thirty persons. Kiwanians Arthur S. Denny, C. Elwood Watkins and William Lunney were responsible for its erection.

PENSION ISSUE IS DISCUSSED

Union Delegation Meets Government Over Civic Superannuation Plans

Resuming superannuation discussions with the Provincial Government yesterday, a special pensions committee of the U.F.W. B.C. Municipalities waited on Hon. Dr. G. M. Weir and provincial officials. The delegation comprised Aldermen W. W. Smith, chairman, Mayor David Leeming, Reeve William Crouch, D. A. Macdonald, R. F. Blandy and R. R. F. Sewell, for the union, and H. Medley and Walter Scribner for the Victoria and Vancouver civic employee staffs, respectively.

The delegation sought release from payment by municipalities of some \$600,000 said to be short in connection with the prior service account, and information on other matters.

ADJUSTMENT POSSIBLE
Without committing the Province to any decision, Dr. Weir pointed to the existence of \$1,200,000 in contributions under other headings and possible means of adjustment with satisfaction to all concerned.

It was arranged that the union should proceed with the draft of a tentative civic superannuation scheme, after which the Province will review the scheme, using Prof. M. A. Mackenzie, of Toronto, in an advisory capacity in checking details of the scheme.

The ultimate object of the negotiations is a separate civic pension scheme, to be ratified at the next session of the Legislature. Representatives of both sides said progress had been made at the meeting.

First Baptist Picnic to Take Place July 1 at Experimental Farm

The teachers and officers of the First Baptist Church held their business meeting recently at the home of Mrs. O. M. Brown, Lansdowne Road. Arrangements were made and committees formed for the annual church picnic to be held on July 1 at the Experimental Farm, Sidney.

Miss Beveridge and Miss H. Hamilton were elected as delegates to the Baptist convention, to be held the first week in June, representing the Sunday school and the young people of the church.

It was decided to keep the Sunday school open for the two summer months. Rev. G. A. Reynolds gave a short talk, expressing his appreciation of the teachers' and officers' work. Open discussion followed, after which refreshments were served by Mr. and Mrs. Brown.

REPUDIATES CONFESSIONS

Continued from Page 1
The police station—"I did it deliberately," and would do it again," were repudiated by Mrs. Rattenbury.

The accused have separate defence counsel. After Mrs. Rattenbury had been on the stand for three hours, counsel for Storer began his statement, and, before the session was over for the day, declared there was no evidence of conspiracy between the accused. He submitted: "It was a mad act of one of them," and suggested, if Storer were found guilty the verdict should be accompanied by a finding of insanity. Storer was a drug addict, he said, and his statements were unreliable.

ALL DOUBLE DUTCH
After detailing events in the Rattenbury household before the architect was wounded on the night of March 24, Mrs. Rattenbury declared she could not remember anything that happened after she saw her husband wounded. Confronted with the alleged confession, carrying her signature, she told her counsel: "It is all double Dutch to me."

Mrs. Rattenbury testified Storer was employed last November, and that she became his mistress shortly after. Previously, her husband had told her to lead her own life, and she said she would do so, she added.

Religious took place between them regularly, she admitted, al-

'BEST CITIZEN' TO BE HONORED

Nominations Now Open for Native Sons and Daughters' 1935 Award

Nominations for the appreciation award of 1935, sponsored by the Victoria Posts of the Native Sons and Daughters of British Columbia, to be presented to the person who is adjudged to have the best qualifications of a citizen in Greater Victoria, will open today. It was announced by the committee in charge of the award.

Nominations for candidates for the honor of being Greater Victoria's best citizen may be left at the business offices of The Daily Colonist and The Daily Times. In filing nominations the name of the nominee must be accompanied by reasons stating why the candidate is selected and what, in their opinion, entitles the candidate of their choice to the award.

All nominations must be marked "appreciation award" and the date of the closing of nominations will be announced shortly. A special committee will be appointed to select the recipient of the award.

WILL SEEK POWER TO REVALUE GOLD

Continued from Page 1

Mr. Bennett said an order-in-council had been passed during the Easter recess fixing the amount of the gold taken from the market, which might be considered applicable to their foreign obligations, and therefore affected by the increased world price. The percentage would be announced later, he said.

CURRENCY STABILIZATION

TORONTO, May 29 (CP).—Local financial circles interpreted Premier R. B. Bennett's bill empowering the Government to revalue gold as a necessary preparation for the world conference on currency stabilization, likely to be held by the International League of Nations in London, which might be considered applicable to their foreign obligations, and therefore affected by the increased world price. The percentage would be announced later, he said.

Secretary Henry Morgenthau of the United States put out a feisty note last week, intimating the United States was ready to stabilize the devaluation of the franc and stabilization at a lower level was discussed openly by French Cabinet ministers today.

Upward revision of the Dominion's gold reserves will have its chief effect on book value of stocks held by the Bank of Canada since gold-mining companies are already being paid the world market price for gold. This is about 70 per cent above the old standard price and other banks and the public is not permitted to buy and sell the metal.

NOT TAKING LEAD

LONDON, May 29 (AP).—Shouts of "no" from Government supporters greeted a suggestion in the House of Commons today that Great Britain approach the United States with a view toward international stabilization of currencies.

Prime Minister Ramsay MacDonald told a questioner he does not require at this late hour to take the initiative. We have been trying to get the initiative taken, but up to now we have not been successful.

Hagen Must Pay For Boy's Death
ST. PAUL, May 29 (AP).—A jury returned a verdict for the full amount in a \$50,000 damage suit against Walter Hagen, golf professional, in District Court tonight. The suit was brought by H. Martin Johnson, a druggist, as the result of the death of his six-year-old son, Lawrence, who was struck by Hagen's automobile a year ago and thrown into the path of a street car.

PLAINTIFF WINS DAMAGE ACTION

Mr. Justice Lucas Finds in Favor of Clifford Foxall in Supreme Court

Clifford Foxall was awarded judgment in the Supreme Court here yesterday in his action against Massey & Renwick, of Toronto, which has been on trial for some days past. Mr. Justice Lucas allowed the plaintiff \$3,000 damages, from which will be deducted the counter-claim of \$946.94, which was held to have been due to the defendants at the time of the breaking up of the business relations between the parties to the action.

His Lordship, in giving judgment last evening immediately following the presentation of addresses by counsel, described the defendants to have been guilty of a very high-handed act. He felt that H. F. Shobrook, who was in charge of the business of the defendants in British Columbia, when he came to Victoria on the call of C. E. Straker, who was a co-agent under Mr. Foxall, was of the opinion that the affairs of Mr. Foxall were in a more serious condition than they were.

COURT'S STATEMENT

"It is idle of Mr. Shobrook to say that he got leave to ransom Foxall's office and take out what he liked there," said the court.

Holding up the loose-leaf ledger belonging to Mr. Foxall, Mr. Justice Lucas declared there was only the index left in it when Mr. Foxall recovered it.

"There could be no more gross violation," asserted His Lordship, in describing the act by which the papers and documents of Mr. Foxall were handled in taking over the business in his own office. The attempt was made, the court continued, to shift the responsibility for this upon Mr. Straker, whom Mr. Shobrook had never met before.

RANSACKED HOUSE

Mr. Shobrook presumed to act as if the office of Mr. Foxall were his own. Even the business of Mr. Foxall with other companies he represented was gone into and use made of the information obtained.

"When Mr. Foxall came back after his illness," said the court, "he found he had neither office nor business."

His Lordship referred to the situation as one where the business of the plaintiff was wrecked at a time when there was great difficulty in carrying on.

Following the address of Alfred Bull, K.C., for the defendants in the action, His Lordship asked C. L. Harrison for the plaintiff to address himself only to the question of damages. The action was one taken for trespass.

PURPOSE OF AWARD

The purpose of the award is the elevation of the ideals of citizenship. In selecting the candidate to whom the award will be made, the greatest secrecy is maintained. No political or personal influence will avail, and attempts to use such on behalf of any particular nominee will only react injuriously.

Native Sons and Daughters of British Columbia, in initiating the system of citizenship awards, laid down the principle that any man or woman who has contributed in any degree to the improvement of the status of citizenship is making a contribution to the development of the city, district and province.

It is not necessary that the person be prominently known, or occupying a position in order to receive consideration. Accomplishment or example in elevating the standards of good citizenship alone are accepted.

COLUMNIST COMES TO VICTORIA TO GATHER MATERIAL FOR STORY

In search of material to fill his daily column in The Oklahoma City Times, Harold L. Mueller, editorial writer and well-known newspaper man in the Southern States, visited Victoria for two days, leaving yesterday.

While in the city, he and his family were taken by George I. Warren, publicity commissioner, to Brentwood Bay on a fishing trip, then on a tour of the many attractions in the city. Yesterday morning, Mr. Warren drove the party to the top of Mount Tolmie to see the sunrise.

Mr. Mueller and his family were greatly enthused with their visit here. Before coming here, they visited Death Valley, Crater Lake and Boulder Dam. From here they plan to go to Rocky Mountain resorts.

VICTORIA NURSE WINS HIGH HONOR

Miss Agnes M. Thompson Awarded General Proficiency Medal at Royal City Hospital

NEW WESTMINSTER, May 29 (CP).—Miss Agnes M. Thompson, of Victoria, has been awarded the general proficiency medal given by the New Westminster Graduate Nurses' Association to graduates of the Royal Columbian Hospital.

Miss Elsie Florence Owen, Comox, was also a member of this year's graduation class.

In speaking before the class, Dr. H. M. Cassidy, director of social welfare for British Columbia, said there were better prospects for the nursing profession now with public health nursing growing and the field of preventive medicine increasing.

Health insurance plans have been made, he said, and it is expected these will be made law at the next session of the Legislature. This would make British Columbia the first province in Canada to adopt public health insurance.

Postal Convention Ends With Election Of Governing Heads

Postmasters and Postmistresses Choose J. L. Jackson, of Salmon Arm, President—Pay High Tribute to Hospitality Shown Here

J. L. JACKSON, Salmon Arm postmaster, was re-elected president of British Columbia Branch of the Canadian Postmasters' Association during the annual convention at the Empress Hotel yesterday morning. This will be Mr. Jackson's third consecutive year as head of the association.

W. R. Langstaff, Merritt, was appointed vice-president; Capt. Nathaniel Gray, Saanichton, secretary-treasurer; J. Wright, Armstrong, auditor; C. H. Parsons, Golden, delegate to the Alberta postmasters' convention; H. McDonald, sub-post-office No. 23, Vancouver, and Frank V. Hobbs, Cadboro Bay, members of the executive.

ENJOYED STAY HERE

"We have enjoyed our stay here immensely and deeply appreciate the hospitality shown us by Mr. and Mrs. R. P. Butchart, citizens of Victoria, the Empress Hotel local postal officials, D. Spencer Ltd., the Hudson's Bay Company, The Victoria Daily Colonist, The Victoria Daily Times and Robert Simpson Western Ltd., declared Jackson, when the convention concluded.

"Mr. Butchart's Sunken Gardens proved a revelation to most of us. In fact we had never seen such floral beauty. Next year we convene at Vancouver, but will make every effort to return to Victoria in 1937," he added.

PLAN CAMPAIGN

"The general public is in ignorance of the work of postmasters and postmistresses in performing their complex duties, and we plan a campaign to create better understanding. We want the same status as other civil servants who have the privileges of pension and superannuation, both denied to us. We would like to straighten out the matter of long hours in some rural postoffices, caused through the arrival time of mails.

"There is good feeling between ourselves and the Postmaster-General's department and we intend to maintain the spirit of co-operation," Mr. Jackson declared.

RESOLUTION PASSED

At the concluding morning session, a resolution calling for a maximum working week of forty-four hours was passed unanimously. The resolution will be forwarded to the Dominion executive, with power to act.

A suggestion to consolidate rural postoffices to prevent overlapping of service was lost when put to a vote. J. F. Murray, district postal superintendent, declared the matter was now under advisement.

C. H. Parsons, postmaster at Golden, gave a report on the Alberta postmasters' convention held at Lethbridge, which he attended as a delegate from British Columbia.

Special thanks were accorded Capt. Nathaniel Gray, of Saanichton, for acting as secretary, and Mr. J. B. Corley, Calgary, for acting in place of C. H. Lefroy.

ATTENDED MEETING

Among those attending the three-day convention were: J. H. Bowering, West Sumnerland; Frank V. Hobbs, Cadboro Bay; Capt. Nathaniel Gray, Saanichton; Mrs. B. Brophy, Lethbridge; Alex. C. Mackie, Langford Station; J. Ure, Kaledon; A. I. Lazenby, Port Hammond; R. W. Banham, Powell River; H. Morgan, Didsbury, Alta.; Miss M. Urquhart, Hope; J. B. Corley, Calgary; G. Greenslade, Fraser Arm; M. Atkins.

IN THEIR HOME

As the 6:35 p.m. ransom deadline neared, Mrs. Weyerhaeuser and her three children were in their home. What other persons were inside the large, white, residence overlooking Commencement Bay could not be determined.

Elizabeth, two-year-old sister of the kidnapped lad, was brought out into the yard for a breath of air. The children's black Spaniel dog scampered about on the lawn.

To all appearances, normalcy ruled at the house, but Mrs. Weyerhaeuser plainly showed the strain of days of uncertainty concerning her son's fate.

Two wealthy Minnesota members of the Weyerhaeuser family arrived here today as belief grew that the ransom money had been obtained.

This belief was based in part on the wording of the ransom note which specified that "in five days or as soon as you have the money," the personal ad should be inserted saying the family was ready.

The two men, Frederick and Rudolph Weyerhaeuser, respectively, are from St. Paul and Cloquet. Frederick is general head of all the widespread Weyerhaeuser lumber interests, and Rudolph is a heavy stockholder. Both are uncles of George's father.

SHOW NO TENSENESS

Lack of tenseness was noted tonight at police headquarters, where

Delegates to Postal Convention in Victoria

In the above photograph are shown delegates who attended the annual convention of the British Columbia branch of the Canadian Postmasters' Association, which was held this week in the Empress Hotel. The party concluded yesterday, with the election of officers, and the selection of Vancouver as the convention city for 1936. Post masters and postmistresses from practically every part of the province attended the gathering here.

WATER RATES BATTLE CONTINUES UNABATED

Continued from Page 1

rate of 4 cents per 100 cubic feet.

However, this rate can be obtained only by installing an irrigation system, which calls for a meter rental of 30 cents a month, \$7.50 installation charge, and the cost of laying separate irrigation pipes.

This scheme has worked satisfactorily for those who own large gardens and would normally have bills running as high as \$40 a month during Summer. The small home owner, however, is penalized, inasmuch as it would not constitute a saving to install an irrigation meter and system for the average city lot.

City properties generally run from forty to sixty-foot frontages, with depths ranging from 100 to 120 feet. By lowering the service charge during the Summer months, the small home owner could afford to irrigate his garden and keep lawns in perfect condition.

DRY WEATHER

Need for such a reduced rate has been accentuated by the unusually dry weather of the past two months. Exclusive of yesterday's shower, which hardly laid the dust, the rainfall for April and May totals 5.6 of an inch, compared with an average rainfall of 2.17 inches.

One can readily see that, despite the unusually wet Winter, the lack of humidity during the past two months has driven residents to use large quantities of water long before June, which is the month that water consumption generally starts to increase.

A check-up of water meter readings in the city waterworks department disclosed yesterday that consumption of water in many instances has doubled, while in nearly every case there has been a substantial gain.

LOSS NEGLECTIBLE

It is contended by Alderman McGavin that the city would not lose much money, if any at all, by cutting the service charge in half for three months. The extra water consumed would more than make up for the loss of revenue from service charges, he believes.

If the 50-cent service charge proposal is adopted, it will affect some 6,000 services. It is estimated. There are 12,000 services in all on the city's waterworks systems, but many of them are commercial services, industrial connections, and office and apartment house buildings.

RAIN EXTINGUISHES NOVA SCOTIA FIRES

HALIFAX, May 29 (CP).—A million dollar rain fell in Nova Scotia tonight, dousing forest fires that had menaced villages and towns and destroying thousands of acres of timber in four counties and raising seven buildings.

Racing through the woods near New Ross, Lunenburg County, since May 20, one fire reached a group of small lumber camps today and licked up five of them before the rangers and volunteers finally got the flames under control with assistance of heavy showers.

The Students' Council last week was host to the students and teachers of the school at an afternoon dance, which lasted from 3:30 to 5:30 o'clock. The dance music was supplied by a popular three-piece orchestra and the large crowd of students attending enjoyed themselves during the two-hour period.

Final plans are now under way for publication of The Camosun.

The matriculation banquet next Friday will have many students in attendance besides the invited guests. This year's affair is really the closing exercises for the graduating students. A capable committee is in charge.

Principal H. L. Smith congratulated all who took part in the folk dancing in the musical festival from the school, and paid special

SEEK PORTFOLIO FOR LADY ASTOR

LONDON, May 29 (AP).—Friends of Lady Astor, outspoken member of the House of Commons, today were urging her for the education portfolio in the soon-to-be-reconstituted Cabinet.

It is widely believed Lord Halifax, whose office as president of the board of education gives him Ministerial rank, will retire when Stanley Baldwin, now Lord President of the Council, becomes Prime Minister, replacing Ramsay MacDonald in the Cabinet shake-up expected early in June.

SAILOR KILLED BY FALLING DOWN HOLD

VANCOUVER, May 29 (AP).—Baker Bin Anat, seaman on the Silverpalm, was killed today when he slipped and fell down the hold of the vessel docked at Ballantyne Pier. Anat was dead before the body could be recovered. The body was taken to the city morgue.

Kingfisher Proves A Friend in Need

WARSAW, Mo., May 29 (CP).—George T. Holloway ran out of bait just as the fish were beginning to bite well. He was winding up his lines in disgust when a kingfisher dropped a minnow at his feet. The bait was good for a three-pound fish.

COUNTERFEIT SILVER DOLLAR CIRCULATED

VANCOUVER, May 29 (CP).—A spurious Canadian silver dollar, the first to make its appearance in Vancouver, was turned over to the police yesterday. The coin was found at a tobacco store and was tendered to be counterfeit when presented at a bank.

FELL TO HIS DEATH FROM ROOF OF CAR

PASSES IN HOSPITAL

There passed away at the Royal Jubilee Hospital early this morning, Ethel Logan Frame, wife of Stanley H. Frame, 1087-Grandview Road. She was born fifty-three years ago in Nova Scotia, and is survived by her husband and sister, Mrs. H. C. Mackay, and a niece in Truro, Nova Scotia. Funeral arrangements are to be announced later.

CLOVERDALE, B.C., May 29 (CP).—Two masked bandits, armed with a sawed-off shotgun, today held up W. T. McCulloch, collector for Buckenfield's, Ltd., feed merchants, and escaped in their victim's car with \$75 in cash.

The Portia vase contest is proceeding and the girls of this society are supporting it enthusiastically. Many expressed the opinion that the Monday's bouquet was most impressive.

The matriculation examinations are scheduled to begin about June 20. That will mean that all the other students of the school will be through before that date. High-ranking students are now being considered for recommendations.

There is a possibility that Miss E. J. Herbert will give a vocational talk on "Nursing" to the girls of the school this week. Miss Herbert has been connected with the school health department for a number of years.

BEST GARDENS TO BE CHOSEN

Victoria Horticultural Society Arranges for Annual Inspection in June

During the month of June the Victoria Horticultural Society intends to make a survey of every garden of 120 feet frontage and less with the object of finding the gardens which do the most to beautify the city and attract the attention of passers-by.

The city has been divided into four sections, with Cook Street dividing east and west and Pandora Avenue dividing north and south. Saanichton, within the three-mile circle, is divided into two, with Douglas Street the dividing line. Oak Bay, not including Uplands, is also one section, with Esquimalt another, making eight sections in all.

There has been appointed a convener for each section, this convener appointing smaller committees to work within their own section. The work of these committees will be to name the five best gardens, as judged from the street, in their various sections, the final judging taking place at a later date.

The society is now appealing to all garden lovers who would be able to assist by giving a little of their spare time in the choosing of these gardens. Those willing to help are requested to telephone the convener of their respective districts or the secretary of the society during the next few days.

CONVENERS NAMED

The following are the appointed conveners:

1.00 Southwest of city, D. D. McTavish, E3913 or E8475; southeast of city, Dr. A. G. Price, E8966; northwest of city, Dr. J. F. Wood, G7372 of Clayquot Indians.

THE CAT CAME BACK

TORONTO, May 29 (CP).—The pet cat of the package freighter Pinebay has again boarded ship after being given up for lost. "Tiddles" missed the boat in Toronto more than a month ago, but Monday the year-old cat walked aboard the Pinebay at the Welland Canal. How pussy managed to get from Toronto to Welland is the puzzle in nautical circles.

OMNIVOROUS CANINES

HOLLYWOOD, Cal., May 29 (AP).—Three dogs were brought to a dog and cat hospital within an hour of each other and soon they were telling each other about their operations. Between them they had swallowed seven needles, one engagement ring, one wedding ring, three small bolts and a half dollar.

WASHINGTON, May 29 (AP).—Clark Griffith's \$50,000 investment in Buck Newbom to bolster Washington Senators' wobbly pitching staff became a frozen asset today with Newbom relegated to the bench for a month because of a fractured kneecap.

LONDON, May 29 (AP).—Helen Williams "probably" will rush straight home to California after she plays in the All-England tennis championships at Forest Hills, she told the Associated Press today. "Without waiting for anything at Forest Hills."

The former world champion, attempting a comeback after being on the sidelines for more than a year because of a back injury, will play only singles at Wimbledon. She said she would not compete in doubles, adding, however, that she is "perfectly satisfied" with her condition so far.

It has been assumed that Mrs. Moody would play in the American championships at Forest Hills, this year provided her play at Wimbledon indicated she had entirely recovered from the back injury she suffered in 1933.

Tennis observers still believe, as a matter of fact, that she will attempt to regain the United States championship if she makes a good showing at Wimbledon.

Among the recent results of the Greater Victoria Horseshoe Pitching League, Rennie & Taylor did well to defeat Oakland "B" by 196 to 194, in one of the 100-point games.

J. Keating had twenty-seven ringers followed by D. Macmillan with twenty-two and W. J. Rennie twenty-one and Jimmie "Piper" McMillan with eighteen.

MacLeod's Garage weakened to pioneer "B" 201 to 100. L. Cockrill was high man with fifteen ringers.

Jackson "B" won over the Strathcona, 203 to 100. R. Jackson, Sr., being leading scorer with nineteen perfect throws with A. MacMillan close behind with seventeen and David Pratt, of the Strathconas, with fifteen.

Rennie & Taylor won this week's game over the Naval Veterans "A" 200 to 85. Jimmie Keating again was high man with twenty-one ringers. W. J. Rennie with fifteen.

The balance of this week's schedule and unplayed games from last week, are as follows:
Jackson "A" vs. Knights of Pythias
Canadian Scottish vs. Veterans of France
Canadian Scottish vs. Knights of Pythias
Victoria West vs. Naval Veterans "B"

MacLeod's Garage vs. Pioneer "A" Oakland "A" vs. Veterans of France
The committee urgently requests all captains to please arrange all their future games to be played on the association pitches at Pandora and Blanshard.

CANADIANS IN VICTORY

Touring Golfers Chalk Up 6 to 1 Win Over Old Country Team

ST. ANDREWS, Scotland, May 29 (CP).—The touring team of Canadian amateur golfers defeated a team representing the Royal and Ancient Club by six matches to one, with one match halved, in a series of four-round matches over the famous old course today.

After winning the morning four-somes, 3 to 1, the Canadians took three of the four-ball matches in the afternoon. Ross (Sandy) Somerville, of London, Ont., turned in a fine card of 71 for the afternoon round and Jack Nash, also from London, had a 72.

The Royal and Ancient tendered a dinner to the Canadians this evening.

MORNING RESULTS
Morning rounds were as follows:
J. Brodie and Capt. G. C. B. Stevens, St. Andrews, defeated Ross Somerville, London, and Gordon Taylor, Montreal, 2 up.
Phil Farley, Toronto, and Jack Nash, London, defeated J. Robertson and W. A. Steverright, St. Andrews, 6 and 4.

Ken Black, Vancouver, and Dick Moore, Vancouver, defeated J. Terry and A. Rolland, St. Andrews, 3 and 4.
Bud Donovan, Winnipeg, and Edwin Innes, Montreal, defeated A. Dowie and H. McNab, St. Andrews, 5 and 4.

GOLF FINAL IS REACHED

Wanda Morgan and Pamela Barton to Meet for British Crown

NEWCASTLE, County Down, May 29 (CP).—Miss Wanda Morgan and Miss Pamela Barton, runner-up last year, reached the final of the British women's open golf championship today, sole survivors of a field that included numerous champions from home and overseas, among them Miss Ada Mackenzie, of Toronto.

In the semi-finals Miss Barton eliminated her sister, Miss Morgan, 2 and 1, while Miss Morgan disposed of Miss Anderson, runner-up in last year's Scottish championship, by the same margin.

In the morning round Miss Morgan beat Miss Johnson, one up; Miss Anderson beat Miss Newall, 3 and 2; Miss Mervyn Barton defeated Miss R. S. Morgan, 2 up, and Miss Pam Barton beat Miss Park, 4 and 3.

GRADS DEFEAT TULSA SQUAD

Edmonton Cagers Nose Out U.S. Quintette by 37 To 30 Score

EDMONTON, May 29 (CP).—Edmonton Grads made it two of three here tonight by vanquishing 37-30, the Tulsa Stenographers in their quest for the Underwood Trophy, emblematic of the women's basketball championship of North America and the world.

The series, for the best three out of five games, will be continued Saturday night. The Grads won the first game last Saturday, 53-49, and the Stenos won Monday by the same score.

It was one of the roughest games of the Grads' long career. No less than sixteen persons were called on the Tulsa team and the Grads had six. Once, in the fourth quarter, Coach Elmer Beck, of the visitors, was called by the officials for shouting to the players and also holding up the game.

GRADS TAKE LEAD
Featured by the flawless performance of one of the Grads' greatest players, Noel Macdonald, the champions swept into an early seven-point lead, and only once lost the lead—momentarily—when the Tulsans had a single point advantage, but the champions came back to take the temporary position and go on to a rousing triumph.

Again the game was played before over 4,000 wild-eyed fans, and judging by the tremendous enthusiasm brought about by the series there will be over 5,000 at Saturday's engagement.

Coach Beck, of the Tulsans, has asked for the replacement of one of the officials, Arnold Henderson, and his request has been granted.

The line-ups:
Tulsa—Williams, centre (7); G. Langerman, forward (4); Barham, forward (5); Dunlop, guard (5); Justice, guard (4); J. Langerman, sub (5); Hickman, sub. Total 30.
Grads—Macdonald, centre (16); Macburney, forward (11); Belanger, forward (11); Neale, guard (3); Fry, guard (5); Munton, sub; Dann, sub (2). Total 37.

Officials—Arnold Henderson, Edmonton; Harry Wilson, Chicago.

In Gaming House—Low, charged with being the keeper of a gaming house on West Street, which was raided by the city police, was fined \$25 in the police court yesterday morning. Wong Kee and thirty-two others who were in the place were fined \$5 each. F. C. Elliott appeared as counsel for the accused and entered a plea of guilty in each instance. He put forward the excuse that in large part the men found in the place were not there to gamble. They had no money and were simply there to mix with their countrymen. Only ninety cents constituted the money found in the place.

GRADS DEFEAT TULSA SQUAD

Edmonton Cagers Nose Out U.S. Quintette by 37 To 30 Score

EDMONTON, May 29 (CP).—Edmonton Grads made it two of three here tonight by vanquishing 37-30, the Tulsa Stenographers in their quest for the Underwood Trophy, emblematic of the women's basketball championship of North America and the world.

The series, for the best three out of five games, will be continued Saturday night. The Grads won the first game last Saturday, 53-49, and the Stenos won Monday by the same score.

It was one of the roughest games of the Grads' long career. No less than sixteen persons were called on the Tulsa team and the Grads had six. Once, in the fourth quarter, Coach Elmer Beck, of the visitors, was called by the officials for shouting to the players and also holding up the game.

GRADS TAKE LEAD
Featured by the flawless performance of one of the Grads' greatest players, Noel Macdonald, the champions swept into an early seven-point lead, and only once lost the lead—momentarily—when the Tulsans had a single point advantage, but the champions came back to take the temporary position and go on to a rousing triumph.

Again the game was played before over 4,000 wild-eyed fans, and judging by the tremendous enthusiasm brought about by the series there will be over 5,000 at Saturday's engagement.

Coach Beck, of the Tulsans, has asked for the replacement of one of the officials, Arnold Henderson, and his request has been granted.

The line-ups:
Tulsa—Williams, centre (7); G. Langerman, forward (4); Barham, forward (5); Dunlop, guard (5); Justice, guard (4); J. Langerman, sub (5); Hickman, sub. Total 30.
Grads—Macdonald, centre (16); Macburney, forward (11); Belanger, forward (11); Neale, guard (3); Fry, guard (5); Munton, sub; Dann, sub (2). Total 37.

Officials—Arnold Henderson, Edmonton; Harry Wilson, Chicago.

PARFITT HEADS BASEBALL LOOP

Named President of Junior League at Organization Meeting

Ray Parfitt, well-known figure in local baseball circles, and one of the chief organizers of junior baseball a few seasons ago, was yesterday evening elected president of the Junior Baseball League at the organization meeting held in the Colonist board room. Other officers elected were Gil Clayton, vice-president, and Percy Sagar, secretary.

Four clubs, Eagles, Sons of Canada, Tillamook and Telyos were represented and signified their intention of playing in the new loop. Other entries are expected and in order to give the club time to make their final decisions it was decided to postpone the final filing of entries until Wednesday, June 5, when another meeting will be held in The Colonist board room.

Tentative arrangements call for three fixtures to be played each week, on Monday, Wednesday and Friday evenings. The city parks board will be interviewed with a view to securing playing diamonds. The secretary was instructed to call on the constitution for presentation at the next meeting.

Crowds Visit Hatley Park

Hundreds of Victorians as well as a large number of visitors from the United States and the Mainland took advantage of Mrs. Dunsen's gracious invitation to visit Hatley Park yesterday, one of the few occasions upon which the grounds are open to the public. All during the day the visitors wandered about the gardens enjoying their beauty and the peace and loveliness of the surroundings. While every corner had its wealth of flowering shrubs and trees, and the banks of the streams were covered with pinks, columbine, ferns and iris, the centre of interest lay in the Japanese garden, where great borders of rhododendrons and azaleas fringed the lakes in which their vivid colors were reflected. Wisteria-covered pergolas afforded delightful resting places for those who spent more than a few moments amid such surroundings. Patches of golden broom shone out against the distant background of the Olympics, rivaling in its natural beauty the cultivated flowers of other parts of the garden.

Little Richard—Mother, may I have a nickel for the old man who is crying outside?
Mother—Yes, dear, but what is the old man crying about?
Richard—He's crying "Peanuts, five cents a bag."

Clubs-Societies

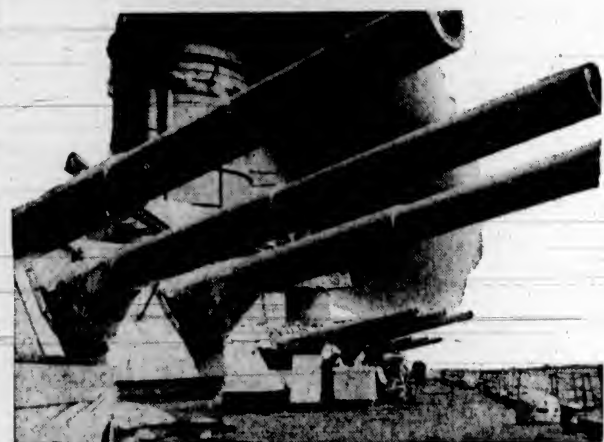

Colfax Lodge

A large gathering of members and friends of Colfax Rebekah Lodge No. 1, I.O.O.F., enjoyed the splendid programme arranged in honor of "Mother's Night" recently. Large baskets of flowers were arranged on the platform and throughout the lodge room. Rev. Dr. A. S. Imrie delivered an inspiring address, paying tribute to motherhood. Vocal solos were rendered by Mrs. S. Morton, Miss Gladys Marchant and Mr. H. S. Hay. The accompanists were Mrs. J. Gough and Mrs. G. Green. A tableau entitled "Mother's Night" was presented. Mrs. S. Morton sang "Mother" during the scene. Those taking part were Mesdames J. W. Collins, J. Johnson, James Joy Collins, Norina Dunn, Mesdames Lavorne Sand, Carl Truman, Mesdames J. McLennan, M. Sommerville, T. Hurry, J. Pilgrim, Misses V. Collins, Ann Emery, Letty Johnson, Doris Kitty and Alyce Brown. Mr. J. Davies had charge of the lighting effects. Recitations were given by Edna Jaques, Elma Morbey and little Norma Dunn, a fancy dance number was presented by Lorraine Stocker and Betty Joan Elworthy, and piano selections were played by Bob Patrick and the Hawaiian Serenaders. Refreshments were served in the dining-room.

Moore Women
The social meeting of Victoria Chapter No. 25, Women of the Moose, was held on Monday evening last. The social evening was presided over by Mrs. E. Tooley III. An application for membership was received. The nomination of officers took place. The election will be held on June 10 and the installation on June 24. A splendid report of the sale of candy at the Willows on May 23 was given by the convener, Past Regent A. Hatcher, for which she and her committee received praise. Thanks were expressed to those assisting with the float entered in the parade. In accordance with Lodge 1390 and Maple Leaf Legion No. 54, the chapter's next meeting on June 10 will be held at the K. of P. Hall, 1415 Broad Street, which is the order's new headquarters. A successful five hundred card party was held under the convener of Mrs. E. Clarke. The winners were Mrs. C. Sproule, Mr. J. Strutt, Mrs. M. Pearce and Mr. L. Pitt. Supper was served by Mesdames T. Alexander, H. Allan and Mary Robertson, following the cards.

Garden City W.A.
The Garden City W.A. held its monthly meeting at the home of Mrs. Hoy, Gladstone Avenue, when a kitchen shower for the church was given by the ladies. Encouraging reports were given by the secretaries of the different branches. It was decided that a home cooking stall will be held on the last Saturday in June, and a silver tea was proposed for June 26. It was decided to hold the next meeting at the parsonage. At the close of the business session, tea was served by the hostess, who was assisted by

Nona Bartley Queen of May At Bamfield

BAMFIELD, May 29.—An event impressive in its charming arrangement and simplicity, took place here on May 25, when Miss Nona Bartley was crowned Queen of the May.

Announced by the heralds, Masters Desmond Bollen and Ronald Ostrom, and preceded by four guards of honor, Masters J. J. Evans, Blis Kinney, Henry Wickham and Robert Rutherford, the regal party made an impressive entry into the cable station hall, which was suitably decorated for the occasion.

Misses Lillian Aitken and Jean Grunlund acted as sceptre-bearer and key-bearer respectively. Miss Dorothy Dean, the retiring queen, attended by Misses Joan Godson and Betty Kinney, entered with the lord chamberlain, Mr. E. J. G. Palmer. Misses Barbara Bollen and Barbro Grunlund carried her train of red velvet. Miss Dean made a special trip from her home at Denman Island to assist at the ceremony.

The queen-elect, Miss Bartley, followed, attended by Misses Edda Ostrom and Stella Rock. Twelve little girls did a graceful Maypole dance, and this was followed by a short programme. Masters James Evans and Blis Kinney were given enthusiastic applause for their vocal duet.

Games and dancing were enjoyed by the children until 10 o'clock, when the cable orchestra provided music for an enjoyable dance.

Mr. John D. Magee, teacher at the local school, was given much praise for his work in training the children for the affair. Misses Ada Dickinson and Gand C. Valden gave valuable assistance.

Receive Congratulations on Golden Wedding

Mr. and Mrs. A. S. Veals, of Jasmine Avenue, Saanich, who celebrated the fiftieth anniversary of their wedding on May 25. Both Mr. and Mrs. Veals were born in Bristol, England, and were married at Uphill Church, Weston-Super-Mare. In 1903 they came to Canada, bringing their five children, four sons and one daughter, all of whom are now married. There are eleven grandchildren. Many family friends called on the golden wedding day to offer congratulations to the bride and groom of fifty years ago. Mr. Veals is an honorary member of the Victoria Male Choir, and sings in the First United Church Choir.

Tag Day Will Be Held Saturday to Aid Workroom

A TAG day will be held on Saturday in aid of the Women's Workroom and a special appeal is made to the public to support this most worthy cause. Taggers will be collecting from 8 a.m. to 4:30 p.m. and it is hoped that everybody will give a donation, no matter how small. In order that the fund for carrying on the work may be augmented. The workroom will have been in existence four years at the end of October and its value has increased every year with the passing of time, until it now fills a very vital place in Victoria.

Women Opposed To Censorship

OTTAWA, May 29 (CP).—Deploring the legislation adopted recently in Alberta which limits to a greater extent "the freedom of the press," Mrs. Elizabeth Bailey Price, of Vancouver, national president of the Canadian Women's Press Club, urged the seventh triennial convention here today to put itself on record as protesting that policy.

"Was this the thin edge of the wedge of press censorship in Canada?" she asked.

Mrs. Price entered a strong plea for the organization's co-operation with Prime Minister R. B. Bennett in commemorating the Jubilee year by declaring a united stand for the abolition of war and the establishment of world peace.

The convention was welcomed to Ottawa by Miss Constance Troy, president of the local unit. Miss Charlotte Whitton, C.B.E., read the report of the historian, recording a paid-up membership of 345. Of these, 193 were full-time writers, eighty-two were free lances, nine were poets, six artists and thirty-five were associate members.

P.T.A. Activities
DUNCAN
A well-attended meeting of the study group of the Duncan P.T.A. was held on Tuesday afternoon at the home of Mrs. H. O. Homewood.

Mrs. A. Leeming, who was a delegate to the recent P.T.A. convention at Vancouver, gave an interesting and helpful account of study group work in the Province as shown by reports read at the convention. A discussion was held on the Carnegie fund for adult education and the meeting favored the nomination of economics which might be helpful to young people just out of school, as well as older people. The next meeting will be held at the home of Mrs. Leeming on June 11, when Mrs. W. B. Clayton will be guest speaker.

ELECTION OF OFFICERS
For the purpose of arranging the election of officers next month, Mrs. H. Heisterman and Miss C. Hall were appointed a nominating committee.

At the request of Miss Mitchell, the following articles were ordered for the fourth floor: Thirty-six yards of sheeting, one bolt of flannel for babies' gowns, one bolt of flannel for adults' gowns, six yards of flannel for babies' binders, and one bolt of cotton flannel.

Anglican Young People
DUNCAN
The annual meeting of St. John's (Duncan) Branch of the Anglican Young People's Association was held on Tuesday evening at St. John's

church. The meeting was presided over by Rev. E. G. Robathan, of Chemainus, who was asked to address the next meeting of St. Peter's branch, and an invitation will be sent to St. John's branch to be their guests at a social on June 25. Refreshments were served after the meeting by Mrs. R. E. Macbean, Sheila Mutter and Peggy Russell.

At a meeting of the municipal corporation of one of the large Indian cities, which had arranged to lay out some ornamental gardens with a large lake in the centre, a proposal was made that a number of gondolas should be imported from Venice to give the lake a more picturesque appearance.

One of the Indian commissioners, who was of an economical turn of mind, moved an amendment to the effect that the corporation should import only one pair of gondolas, a male and female, and should breed from them.

FLAX SHORTAGE IN IRELAND
Thursday morning THE BELFAST LINESHOP will open up with a TEN-DAY SALE that should be of great interest, not only to those that are about to become brides, but to the thrifty housekeeper as well. For this sale we have made the prices very attractive. In view of the fact that LINESHOP have advanced over 25% in the last few months, and in some cases making it almost impossible to buy certain lines at all owing to the shortage of FLAX in Ireland, this chance of buying first-class merchandise at these very attractive prices should be taken advantage of now. LINESHOP have definitely advanced over 25%, and will go higher, so the importance of buying at these low prices need not be stressed further.

SACRED MUSIC WILL BE GIVEN

Fairfield United Church to
Hear Programme by
Centennial Choir

Through an arrangement with the Centennial United Church Choir, the Fairfield United Church Choir has provided another splendid musical programme for next Sunday night. The Centennial choir, led by J. W. Buckler, will provide the sacred concert at Fairfield United, while the Fairfield choir, led by Cyril C. Warren, will repeat its last Sunday musical programme at Centennial.

The sacred concert at Fairfield United will include choral numbers, made up of ladies' part songs, negro spirituals, and anthems.

The Centennial male quartet also will give a group of selections, while the following soloists will contribute to the programme: Miss Janet Hay, Mrs. W. C. Williams, Mrs. Evelyn Eden, Joseph Almond, George Farmer and Frank Hollins. Mrs. P. Green will be the organist.

AT CENTENNIAL CHURCH
At Centennial Church, the Fairfield choir will sing several anthems, and the ladies' chorus will provide one number. The soloists will be Mrs. J. T. Keating, J. Oskman, Miss Isabelle Crawford, A. W. Trevelick, Miss Brenda Woodward, Miss Isabelle Pike, Miss Connie Barlow, Lawrence Abbott, and Griffith Cameron, pianist. Miss Pike will be the assisting accompanist.

In connection with the transfer of choir, Rev. Dr. E. A. Henry, of Fairfield United, will exchange pulpits with Rev. C. G. MacKenzie, of Centennial Church.

Storm Breaks and Yankees Win Over Washington Squad

Heavy Rainfall Causes Postponement of Game and New York Gets 7-4 Decision—Red Sox Beat Athletics—Boston Braves Turn Back Phillies—Cards Win

AMERICAN LEAGUE
WASHINGTON, May 29 (AP).—Just as the Senators were beginning to solve Charlie (Red) Ruffing's delivery, a storm broke and the game was postponed. The Yankees led the Athletics 1-0 in the sixth inning when Ruffing struck out. The Yankees had rolled up a storm of runs in the first five innings, but the Athletics struck back in the sixth and seventh.

CHARLEY RUFFING
The defeat cost the Senators a chance to win a slim slice of a first division berth in a tie with the Detroit Tigers and the victorious Boston Red Sox for fourth place. They sound up in sixth.

Quarter-Finals Are Reached In Hard Court Tennis Championships

PARIS, May 29 (AP).—International players remained today in the quarter-finals of the men's and women's singles at the French hard court tennis championships progressed.

FOUR AUSSIES ADVANCE
Four Australians and two British players reached the fourth round in the men's singles. Jack Crawford trounced Josef Palada, of Czechoslovakia, 6-1, 6-3, 6-4. Harry Hopman defeated Norman Farquharson, of South Africa, 6-2, 7-5, 6-1. Don Turnbull triumphed over Augusto Rado, of Italy, 6-0, 4-6, 6-3, 6-2, while Vivian McGrath was beating Martin Ellmer, of Switzerland, 6-3, 6-3, 6-3. Fred Perry and H. W. (Bunny) Austin, English stars, and Christian Bounieus, of France, already have reached this round.

Wednesday Football Champions Again

Spencers, Wednesday Football League eleven, pictured above, captured the Pendray Cup, symbolic of the midweek soccer championship, for the second successive season, when they defeated the Hudson's Bay, 2-1, in a play-off fixture. Yesterday, the Diamond "S" boys gained further honors when they defeated the Bays, 3-2, in the final of the Rennie & Taylor Cup series, after thirty minutes of overtime play. Art Chapman, tip-off ace of the Victoria Blue Ribbons, Canadian basketball champions, completed the "hat trick" in yesterday's match, when he scored all three goals for Spencers. Jack O'Neil netted both markers for the Hudson's Bay. Those in the picture are: Standing, left to right, L. Cann, E. Moir, A. Chapman, E. Rutledge (manager), D. Munro (captain), L. Bradley and R. McMillan. Kneeling, left to right, R. Browne, E. Borde, A. Stewartson, C. Luxton and R. Bradley. L. Williams, D. Buswell and B. Clarke, members of the championship aggregation, were absent when the picture was taken.

Dempsey Picked Ross To Win Before Fight

Former Heavyweight Champion, Who Refereed Recent Title Bout, Said Chicagoan Would Regain Crown in Copyrighted Article

It looks as if "Pop" Foster, veteran manager of Jimmy McLarnin, who lost his welterweight fight crown to Barney Ross, Chicago Jew, Tuesday night in New York, had a legitimate "kick" coming when Jack Dempsey, former heavyweight ruler, entered the ring to referee. The day before the boys entered the ring, Dempsey wrote a copyrighted article for the North American Newspaper Alliance, Incorporated, in which he predicted that Ross would win the championship.

With all this in mind, we've got to base our prediction for this bout on the fact that "one fighter is coming along, and the other one is, to put it mildly, not improving. Indeed, Jimmy has gone back. Maybe Jimmy will surprise all those who think he's taken a good slide down the toboggan. We'll find that out after they've been in there lugging leather at each other for a few rounds.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

Father Coughlin's Predecessor—Father Gabriel Richard (1787-1832) was born at Saintes, France, but had to flee Revolutionary France in 1792. At first he lived in Baltimore, whence he went to Detroit; six years later, he became Vicar General of the region, and almost at once became active as a highly eloquent preacher and reformer. He spoke every Sunday to mixed audiences on general principles of justice and morality, published the first newspaper in Michigan and the first Catholic periodical in the United States. In 1822, he was elected to the U.S. Congress, the only instance in which a Catholic priest ever held a seat there. He was defeated for re-election in 1824, and died of cholera in 1832.

BOBSLEIGH DROPS FROM RACE DERBY

Strong Favorite Forced From English Classic Due to Lameness

LONDON, May 29 (CP).—Lord Derby's Bobsleigh, formerly regarded as one of the two or three best horses in the Derby, was scratched today from the Epsom Downs classic. Bobsleigh went wrong in training a week ago and apparently was back in good shape last week-end. But one day he would come back from a workout lame, and the next come back sound. Today he carried five furlongs, and obviously was not in good shape.

Bobsleigh was regarded as the best of the three-year-olds at the start of this season, and was considered the only horse capable of beating Bahram, hot Derby favorite. He was second choice to Bahram until the training mishap.

The list of final acceptances announced this afternoon contained eighteen names, including that of Bobsleigh, whose scratching of course nullified the acceptance. The probable starters and jockeys were listed as follows: Field Trial (Dick), Plymouth Sound (J. J. J.), St. Botolph (—), Fairhaven (Perryman), First Son (Jones), Screamer (A. Wragg), Assignment (Steve Donoghue), Sea Breeze (E. Smith), Theft (Harry Wragg), Bahram (Fox), Halran (Gordon Richards), Fairbairn (C. Smirke), Pry Second (Barry) and Barbary (Nicoli).

Probable starters in the Oaks, the filly classic run over the same course two days later—June 7—were: Buchanite, Merrymaid, Corrida, Irish Lassie Second, Coronel, Foxair, Light Kite, Sun Kiss, Solitaire, Anker, Fair Etonian, Indiana, Cote d'Azur Second, Solar Star, Hyndford Bridge, Quashed, Blue Girl, Clerestory and Mera.

MADE FAVORITE
LONDON, May 29 (CP).—The Aga Khan's unbeaten colt Bahram became the hottest Derby favorite in years today, odds shading to less than even money, as Lord Derby's Bobsleigh was scratched.

Tommy Walker to Play Against Island Soccer XI Tomorrow

TOMMY Walker, nineteen-year-old sensation of the touring Scottish football team, will be playing his regular position, inside right, when the team takes the field here tomorrow evening against the Island "rep" squad at the Royal Athletic Park at 6:15. Confirmation of this was made known yesterday by Alderman James Adam, British Columbia delegate to the D.F.A., following wire communication with Sam Davidson, Dominion secretary, who is traveling with the team. Adam wired Davidson at Calgary asking that Walker and Mair, Rangers forward, particularly the former, perform here, due to the hundreds of requests. The message came back that both would be in the starting line-up. Hundreds of Victorians will be satisfied now that this much-talked-of question is settled.

SEATTLE, May 29 (AP).—Herm (Old Folks) Pillette, last year's ace of the Seattle Indians' pitching staff, was given his outright release today on the tribe's return from a Southern trip. He came to Seattle two years ago from the Missions, and last year won seventeen games and lost seven. He has been unable to get started this year.

CARRY OFF HONORS AT ANNUAL MEET OF LOCAL HIGH SCHOOL

Captures Majority of Events in Senior Company to Garner Championships—Hank Rowe Gives Great Display—Fred Smith Is Class of Junior Boys

HANK ROWE

Flashing their spikes in brilliant style to garner victories in most of the major events, George "Porky" Andrews, a member of the Blue Ribbons, Canadian basketball champions, and Virginia Hall, fifteen-year-old star, were crowned senior track and field champions of the Victoria High School for this year at the annual meet held yesterday at the Fernwood Road grounds. Andrews defeated Bill Dale, co-holder with Dick Surphiss last year, as titleholder, while Virginia Hall took the honors for the first time in senior company.

Hundreds witnessed the greatest school sports day in the institution, and were treated to some thrilling finishes, especially in the sprints. One of the outstanding features of the annual meeting was the sensational performance of Hank Rowe, lanky fifteen-year-old all-round athlete, who walked off with the intermediate title in the boys' division. Rowe ran to victory in scintillating fashion in five events and received a great ovation from the crowd when he smashed the high jump record with a leap of five feet four and a half inches. A few records went by the boards, but all of the senior marks stood intact.

ANDREWS SHOWS FORM

In winning the boys' senior honors, Andrews gave a great account of himself. He won the high jump with the same leap as Rowe made in the intermediate class, took the 120-yard hurdles and then added the broad jump to his list. In the open events, Andrews captured the shot put and baseball throw, the latter with a record toss, and finished third in the 100, 200 and 400 yard dashes. He was the fastest of the boys in the 100, 200 and 400 yard dashes. He was the fastest of the boys in the 100, 200 and 400 yard dashes.

Virginia Hall started her winning streak by taking the broad jump with a leap of fourteen feet five inches, and backed to the tape a winner in the seventy-five yards dash, and followed it with another victory in the twenty yards hurdles. Ann Moyes finished second to the new champion with three seconds and a third, while Olga Schwenger took her only first in the high jump.

WINS FURLONG

Yosh Ishida, who was third in the senior events, won the 220 yards after a great finish. He beat out Doug Haddon by inches, and Lorne MacGregor was a close third. Ishida finished strong to take the race. Ralph Shepherd stepped into the lead in the 440 as the gun barked, and was never headed, although hard pressed by Ishida at the tape. Haddon was a good third. Bill Dale had matters under control in walking off with the mile. He paced the field for the better part of the way and then turned on the heat on the last lap to win by twenty yards over R. Stevens. V. Woodward was third. The time in this race was slow as Dale never thought of running until the finish. Dale also took the half-mile, beating Ralph Shepherd by thirty feet in a driving finish.

Racing to the tape a winner in four track events and capturing the high jump in record-height, as well as taking third in the broad jump, Hank Rowe was the class of the intermediates. He took the century, furlong, 440 and 120-yard hurdles in outstanding style, his elongated form flashing to the tape in every event by good margins as the fields trailed. Fred Smith stood out in junior competition. He won every event he entered and stood out like a lone star in the heavens. In the 110-yard dash he finished in a dead heat with Don Stewart, but in the race-off, raced to the judges a winner by fifteen feet in twelve seconds flat.

SPENCERS DEFEAT HUDSON'S BAY IN CUP FINAL

Chalk Up 3-2 Win In Keenly Fought Overtime Fixture

Art Chapman Performs "Hat Trick" for Winners—Scores Winning Goal Three Minutes Before End of Second Overtime—Jack Okell Nets Both Tallies for Hudson's Bay

ART CHAPMAN

Three goals from the toe of Art Chapman's boot gave Spencers, Wednesday Football League champions, a sweet 3-2 victory over Hudson's Bay yesterday afternoon in the Rennie & Taylor Cup final played at the Athletic Park. Trailing a 2-0 score midway through the initial half, the Diamond "B" boys fought back gamely and deadlocked the score at 2-2 fifteen minutes before the final whistle in the regulation playing time, and then grabbed victory three minutes before the end of the second overtime session when Art Chapman's slow bouncing shot rolled through Baxter's legs for what proved to be the deciding marker. It was a real victory for the Diamond "B" aggregation, but a tough break for Baxter, Hudson's Bay goalie, whose play had been one of the features of the ding-dong battle.

Prior to the commencement of the match, W. J. Rennie, co-donor of the handsome Rennie & Taylor Cup with the late J. T. Taylor, was escorted to the centre of the field by Vice-President Albert Hewison, of the Wednesday Football League.

After shaking hands with Referee McMillan and the captains of the opposing eleven, Mr. Rennie started the match by kicking off the ball.

TYPICAL CUP-TIE

The fixture was typical of a cup-tie, and the absence of good soccer was more than offset by the enthusiastic display of the two eleven's who battled through two hours of football before deciding the winner. Hudson's Bay had the edge in the initial stanza and when the rest interval arrived were leading by a 2-1 score. The story was quite the reverse in the second canto, with Spencers having a wide edge in the play and deadlocking the score at 2-2 fifteen minutes before the end.

In the overtime period two tied eleven's fought doggedly for possession of the coveted silver trophy, with the honors finally going to the Diamond "B" aggregation when Art Chapman sneaked the winning goal past Baxter in the dying moments of a great battle.

Shining like a bright star in a dark and moonless sky was the work of Allan Stewart and Jack Baxter, two brilliant young net custodians, who turned in phenomenal performances for their respective eleven's. Time and time again when the defence was beaten, these two youngsters saved the day with sensational saves that many times earned the well-deserved applause of the fans.

JACK OKELL SCORES

Hudson's Bay opened with a burst of speed and in the first few minutes of the match Stewart and Baxter were forced to save from Jack Okell at close range. Seconds later Okell just missed the far upright with a terrific drive along the goalmouth. Bays were playing nice ball at this stage and were being, Spencer's plenty to worry about. After three close calls, Okell finally found the net when he let drive with a fast shot after Wally Stewart had sent in a perfect cross from the left wing. Stewart made a great attempt to save and actually scooped the ball out of the net, but Referee McMillan was on the job and awarded the green-and-gold-sweated lads a goal, the first of the match.

Spencers came to life after about fifteen minutes and at the other end of the field "Red" Williams tested Baxter with a sizzler, but he was safe. Returning the play, the Bays looked dangerous, but the attack was finished when Stevens kicked over the bar. Continuing to put on the pressure, Hudson's Bay made it 2-0 when Jack Okell scored his second marker of the match and the green-and-gold's final tally of the game. Taking Stewart's perfect pass with the ease and coolness of a veteran, Okell picked the corner of the net with a good shot.

Fighting with their backs to the wall, the Diamond "B" aggregation took up the offensive from the centre and it was not long before Art Chapman received the ball from "Red" McMillan, outside left, and let drive with a first-timer and the ball found its way into the corner of the net.

Encouraged by this tally, the Diamond "B" boys fought steadily for the equalizer, but when the breather arrived the Hudson's Bay were still leading by a 2-1 score.

BAXTER IS BRILLIANT

Spencers displayed renewed vigor as the second half opened and only the phenomenal work of Jack Baxter, brilliant young Hudson's Bay goalie, prevented early scoring. Baxter turned aside shots with the ease and style of a veteran as Spencers' forwards fired at him from all angles.

Hudson's Bay finally broke up this attack and Stevens scored at the other end of the field, but the

goal was disallowed because of off-side. Seconds later Jack Okell fired a shot at Stewart and he saved. Carrying play to the opposite end of the field, Spencers came close to scoring on two occasions and then finally equalized when Art Chapman again found the net with a sizzling first-time drive. Soon after, Oakland saved a sure goal with Baxter out of the net, and Lutton, Borde and McMillan all had shots at the Bay goal.

Play veered from end to end and on one occasion during the end-to-end play there was a mad scramble for the ball in front of Spencers' goal, but the attack was finally cleared when a foul was called on Les Kennedy.

With time getting short, both clubs fought hard for the winning marker, but when the whistle blew to signify full-time the score was still 2-2.

In the first overtime period Spencers rattled eight shots at Baxter in the first ten minutes, but he saved every time. Stewart, at the other end, was a busy man as the first extra session was nearing its conclusion and he, too, saved many dangerous drives.

NETS WINNING GOAL

After the change-over the pace began to slow down, and the players, playing under a warm May sun and on a dry field, showed signs of tiring. After a number of close calls at each end, the deadlock was finally broken three minutes from time when Art Chapman's slow bouncing shot rolled through Baxter's legs. His vision of the ball blocked by his defence, Baxter had no chance to save the shot.

McMillan refereed and the teams were:

Spencers—Stewartson, Munro, Cann, L. Bradley, Moir, D. Bradley, Browne, Borde, Chapman, Lutton and McMillan.

Hudson's Bay—Baxter, O'Connell, Wyatt, Williamson, Kennedy, Okell, McKinnon, Fah, Richards, Okell, Stevens and Stewart.

Tennis Teams to Open Play Today

Women's teams in the Vancouver Island Tennis League will open their 1935 championship drive this afternoon at the C.P.R. courts when the transportation company representatives oppose Hilkrest in the opening league match.

On Saturday, Centennial, Third Division squad, will be at home to the C.P.R. on their courts at the Gorge. Play will commence at 2 o'clock in both matches.

Playing in a friendly cricket match at Macdonald Park yesterday afternoon, Mount View High School defeated Oak Bay High School, 51 to 33. Moore, who with Martin opened the innings for the winners, contributed a well-played twenty-eight before being caught out by Stewart.

Deadly bowling by Martin, who took seven of the Oak Bay High School wickets for a small total, paved the way to victory for the Mount View eleven. Dunlop, who scored thirteen runs, was the only Oak Bay batsman to reach double figures.

Touring Footballers Register 9-1 Triumph Against Albertans

CALGARY, May 29 (CP).—In their first appearance in Western Canada, the touring stars of the Scottish Football Association won their sixth straight North American victory here tonight. Playing a select Alberta eleven, the tourists run up a score of 9-1. At half-time they were leading by a 5-0 score.

Hugh Gallagher, centre forward from Derby County, led the Scottish with four goals. William Mills and Douglas Duncan each counted two for the visitors and Alex Ferguson notched the other.

Alberta's only goal came in the second half with the wind and rain driving the ball toward the Scottish net. Liston Anderson, Alberta outside-left, on a pass from Sammy Blair drove the ball toward the goal. George Cummings, full-back in attempting to clear, knocked the ball into his own goal.

HEAVY RAIN FALLS

A crowd of approximately 5,000 sat through a heavy rain in the second half to see the visitors give a classy display of the traditional Scottish checkerboard game. The Scots dominated the play in the first half and held the ball at the Alberta end. After the Albertans got the wind at their backs in the last half, play was more open but the tourists covered so effectively the homesters seldom threatened.

Since starting their North American tour the Scots have accounted for thirty-two goals while their opponents were scoring four. The team will play its next game in Victoria Friday.

The lineup:

Scotland—Goal, Stevenson; R.B. Anderson; L.B. Cummings; R.H. Wilson; C.H. Donnelly; L.H. McIlroy; O.R. Ferguson; I.R. Miller; C.F. Gallagher; L.L. Mills; O.L. Duncan.

Alberta—Goal, G. Smith; R.B. McKay; L.B. Thompson; R.H. Radley; C.H. J. Wilson; L.H. Dewey; O.R. Smith; I.R. Weisner; C.F. Blair; L.L. Graham; O.L. Anderson.

Referee, J. Gilhooley. Lineamen, J. Doran and A. Holland.

Leaders Lose In Bat Race

Johnson, Martin and Fox

All Drop Ground—Positions Unchanged

By the Associated Press

The total hit production of the Big Six was three blows yesterday as half the membership was idle and the other half had a poor day at the plate. Bob Johnson, Peppi Martin and Jimmie Fox each went to the plate four times for one hit apiece. As a consequence Johnson's average dropped five points and the other two lost four apiece. Their positions in the sextette remained unchanged although Johnson's margin over Arky Vaughan was clipped to two points.

Thumbnail Sketches of the Touring Scottish Footballers

Considered in many quarters as the finest aggregation ever to leave the Old Country, the Scottish touring eleven is rapidly heading for Victoria for their exhibition here at the Royal Athletic Park, Friday at 6 p.m. So far the invaders have won matches in Philadelphia, New York, Toronto and Kitchener, Ontario.

Here's a thumbnail sketch of the personnel of the Scotsmen:

William Stevenson (goalkeeper, Clyde)—One of the most consistent goalkeepers in Scotland. To the unprejudiced man on the terrace his claims for international honors are as good as most custodians. He has played in the United States, graduating from Strathclyde (junior Glasgow club), he joined Arthurlie, and then crossed the Atlantic. Returning home he played for Third Lanark, and shortly after joined Clyde.

Andrew Anderson (full-back, Hearts)—Scotland's right-back against England for the past three years. A fast and a sound tackler, he has any amount of courage. He was an automatic choice for the North American tour because of his record in international games. After three years in Scotland, he returned to form as a centre-forward since the war. He has scored twenty-six goals in international matches for Scotland.

David Wilson (forward, Hamilton Academicals)—An Englishman and the best centre-forward in Scottish football this season, he is a native of Burnham, near Newcastle. The Accies brought him north for the matter of the railway fare and he has paid his way ever since. He relies on his skill rather than on his physical advantage.

William Mills (forward, Aberdeen)—Another youngster, one of three Vale of Leven brothers, who are equally at home on running track and football field. He was playing with Bridgton Waverley Glasgow junior club, when Aberdeen signed him four years ago. Mills established himself as one of the most useful inside forwards in league football.

Douglas Duncan (forward, Derby County)—Curiously enough, Duncan has never played senior football in Scotland. It was not until Hull City transferred him to Derby County after securing him from Aberdeen Richmond that he came into the limelight. He has been with the County for three seasons and is noted for his deadly centre.

Robert Main (forward, Rangers)—Although he has been five seasons at Ibrox Park he has never quite realized the expectations engendered by his play as a junior with Baillieston. On his day he can produce as dazzling football as his predecessor, Sandy Archibald. The league has recognized his abilities during the past two years, but this is the first time he has been capped by the S.F.A.

Alex Ferguson (forward, St. Johnstone)—Just twenty years of age and a native of Dundee, he was playing with Loches Harp when the Perth club spotted him to the annoyance of several senior clubs. Fast and full of tricks, he is a source of worry to the opposing defence.

Goals by McCall, Whittle and Hornsby gave the Roughriders a 3-0 victory over the Black Hawks yesterday evening at Rock Bay Avenue in the third and final game of the Royal Juvenile Athletic Association Roller Hockey League play-off. The victory gave the Roughriders the city championship and possession of the Tommy Richardson Cup. Black Hawks will receive the association cup awarded to the runners-up to the champions.

Maccabees Will Oppose Rangers In Soccer Game

Maccabees and Outer Wharf Rangers, Wednesday Football League eleven, will clash at Heywood Avenue grounds Saturday evening at 6:15 o'clock in the semi-final of the McKay Shield series. Dave McMillan will handle the whistle. The winner will advance to the final against the Navy. Only three clubs have entered the competition.

Hank Rowe Winning Century Dash

Here's Hank Rowe, newly-crowned intermediate boys' champion, flashing to the tape a winner in the century dash in the Victoria High School track and field meet yesterday afternoon, at the Fernwood Grounds. Rowe was the class of the intermediates and won the championship by a wide margin, capturing practically all the events. During the afternoon, he smashed the intermediate high jump record when he elevated his lanky form over the bar at 5 feet 4 1/2 inches, beating the record by half an inch. The meet was witnessed by hundreds of spectators, and some thrilling finishes took place in the sprints.

How It Started

By JEAN NEWTON

"HE'S A CORKER!"

"He's a corker!"

We have all heard and perhaps used this expression of enthusiastic admiration.

Perhaps we have applied it to a teacher, perhaps to a businessman, perhaps to an athlete. It is in the last connection that the phrase originated.

"For 'he is a corker' is really a paraphrase of the old-time line, 'He fights like a corker.'"

A corker, as some of our readers

may be aware, was a sailor—or artisan—who, with an iron and heavy mallet, drove oakum into the seams of wooden ships.

Because of the constant occupational use of the wrist and forearm, hammering away, one hand and then the other, up and down, wherever he could reach, waist-high, overhead, the calker developed tremendous punching power.

Calkers were punishing fighters. It was commonly accepted that they could kill a man with a blow. That is how it started.

LIVED WITH AVIATOR LONG THOUGHT DEAD

COLON, Panama, May 29—(AP).—Tom Roche, German-American citizen, told United States Consul James Loder Parks today he had lived with Paul Redfern, missing American aviator, in the Amazon jungles two years ago.

Redfern was given up for dead eight years ago, after disappearing following his take-off from Brunswick, Ga., on a scheduled non-stop flight to Rio de Janeiro.

ADJUDICATOR TO BE ASKED HERE

Dramatic Groups of City Meet to Discuss Organization of Contests

The governing officials of the Dominion Drama Festival Association at Ottawa are to be petitioned to consider Vancouver Island for the 1936 Festival, as part of the British Columbia Regional Festival. They are also being requested to allow the regional adjudicator to come to Victoria for one night, on the same basis as was done last year when teams from the Interprovincial Drama Festival were adjudicated upon by Malcolm Morley, on his way to Vancouver.

These proposals were unanimously decided upon by representatives of the various dramatic groups of the city, who met recently at the home of Captain T. L. Thorpe, Double chairman of the elimination committee for Vancouver Island.

Should this petition not find favor at Ottawa, the chairman has been authorized to try and arrange with the regional committee in Vancouver that Victoria and Island plays sent into the regionals should be presented on the last night of that contest, thus enabling the Victoria teams to take advantage of the week-end fares and reduce other expenses. It was pointed out by the chairman that the entry fee for each team going into the regionals would, in 1936, be raised to \$25. This would increase by \$5 the expenses of the individual groups sent forward.

WANT CIVIC THEATRE

The desirability of establishing a Civic Theatre, also a Theatre Guild, were thoroughly discussed, it being strongly felt that a suitably equipped building where both musical and dramatic functions could be successfully staged was badly needed. The ideal arrangement, it was considered, would be for some public-spirited citizen whose fortune had been made in British Columbia, to perpetuate either his own name or that of his family, by presenting such a building to the city.

The project of a chain of Repertory Theatres in the principal cities of the Dominion, discussed very thoroughly by His Excellency the Governor-General on his recent visit to Victoria, when he had several conversations with Captain Thorpe-Double and others, was also gone into.

It was generally felt that before another musical and dramatic season, some means should be established whereby two functions, appealing to practically the same audience, would not be coming before the public on the same night, the present season having been, in the opinion of the meeting, most unsatisfactory in this regard.

Little Stories for Bedtime

Farmer Brown's Boy to Teach Buster a Lesson

—By THORNTON W. BURGESS

When on the second morning Farmer Brown's Boy discovered all those pails on the ground which Buster Bear had knocked down in his anger and disappointment, he decided that something must be done to teach Buster a lesson. Buster must be taught that those pails were private property and not to be meddled with. He reset the pails and then as he tramped about through the Green Forest he did a lot of hard thinking. He knew enough about Buster Bear to know that Buster is very sharp and cunning and is not one to be easily fooled.

"The thing to do is to give Buster Bear a scare, just as I did last year. If he would come up here to the sugar house I could do it. But I don't believe he will. I haven't seen any signs of him around the sugar house and I guess he hasn't forgotten the fright I gave him when I got that flashlight picture of him a year ago. I've got to teach him a lesson somehow or other out here in the woods. The question is, how can I do it?"

Farmer Brown's Boy thought and thought. When noon came Farmer Brown's Boy went home to get the hot dinner his mother had prepared. All the time he was eating he was shaking some pepper over his food a little got up his nose and he sneezed. Right away he had an idea. That sneeze gave him the idea. All through the rest of his dinner he kept chuckling. Before he started back for the little sugar house in the Green Forest he went to the pantry and looked over his mother's supply of spices and such things. Into one pocket he slipped

Without another word he hurried toward the sugar house

a package of black pepper. Into another pocket he slipped a package of red pepper.

"What are you going to do with those?" asked Mrs. Brown in great surprise.

Farmer Brown's Boy chuckled. "I'm going to use them to help make more sugar," said he.

"For the land sake!" exclaimed Mrs. Brown. "Whoever heard of such a thing?"

"No one ever did before, I guess," chuckled Farmer Brown's Boy, "but you know there always has to be a first time in everything."

Without another word he hurried away toward the sugar house and never was there a more puzzled woman than was Mrs. Brown as she tried to think how red and black pepper could possibly make more sugar.

Next story, Farmer Brown's Boy Prepares Some Surprises.
